DIRECTORS' REPORT FOR THE YEAR ENDED 31 DECEMBER 2009

The directors present their report and the financial statements for the year ended 31 December 2009.

RESULTS €

Surplus for the financial year

822,091

DIRECTORS AND THEIR INTERESTS

The directors who served during the year and up to the date of approval of the financial statements are stated on page 1. The company is limited by guarantee not having a share capital and therefore neither the directors nor the company secretary have any interests in the share capital of the company.

PRINCIPAL ACTIVITY

The principal activity of the company is is the promotion and development of social entrepreneurship in the Republic of Ireland by providing financial support, mentoring and training to social entrepreneurs.

The principle risks and uncertainties facing the company are the risk that it fails to meet the objectives or expectations of its major donors and the risk that its charitable status is withdrawn. An additional risk is the fact that our principal funder, the One Foundation, is a limited lifespan foundation and will close at the end of 2013 which will mean that significant additional funders will need to be secured between now and 2013 in order to meet our budgetary requirements.

REVIEW OF THE BUSINESS AND FUTURE DEVELOPMENTS

The company has successfully transitioned out of the One Foundation into a separate entity (legally, operationally and in terms of governance). It has already surpassed the original strategic goals having invested in over 116 social entrepreneurs since inception. The budget estimate for the 2010 financial year is €1,235,000 and the surplus for the current financial year will be used to fund planned 2010 activities, lessening the amount of new funding that needs to be secured for 2010 and therefore lessening the risks and uncertainties facing the company.

Funding commitments are in place to cover anticipated commitments for the foreseeable future.

The board monitors ongoing performance on a regular basis.

The results for the year are given on page 6. There are no future developments envisaged which would materially affect the nature and level of the company's activities.

IMPORTANT EVENTS SINCE THE YEAR END

No matters or circumstances have arisen since the end of the financial year which significantly affected or may significantly affect the operations of the company, the results of those operations or the state of affairs of the company in financial years subsequent to the financial year ended 31 December 2009.

BOOKS OF ACCOUNT

The directors believe that they have complied with the requirements of Section 202 of the Companies Act, 1990, with regard to books of account by employing accounting personnel with appropriate expertise and by providing adequate resources to the financial function. The books of the company are maintained at its business address on page 1.

AUDITORS

The auditors, Doody Crowley, have indicated their willingness to continue in office in accordance with the provisions of Section 160(2) of the Companies Act, 1963.

DIRECTORS' REPORT FOR THE YEAR ENDED 31 DECEMBER 2009
